

Welcome To Hotel Metro Bar and Café

Our new wine by the glass list
is designed to take you on an
adventure with different grape varieties
from around the world that are
very similar to what we drink every day.

Where the wines are listed, the grape varietals are in italics.
All have been tasted by our staff and you are more than welcome to taste
anything before you buy, just ask your server.

If I can be of assistance, please ask for me.
